- 13.1. This Clause 13 shall apply if you have subscribed to a Service which includes remote immobilisation.
- 13.2. We will use our reasonable endeavours to immobilise the stolen Vehicle once it is stationary. Such an immobilisation will only be carried out once all appropriate authorisations to do so have been received from the required parties.
- 13.3. By immobilising your Vehicle via SMS, through one of our tracking sites or mobile apps you are agreeing that you have checked the Vehicle's location and that the Vehicle is within a safe area and the tracking device location time is correct and is stating that the ignition is off.
- 13.4. Global Telemetrics will not be responsible for any charges, loss or other expenses incurred if a Vehicle has been immobilised in an unsafe location.
- 13.5. We will have no liability whatsoever if we are unable to provide the Services due to a fault or discrepancy in the installation of the Equipment. This will include faults in the location of the Equipment in the Vehicle which cause the Equipment to not properly transmit or receive signals. It is your obligation to ensure that whoever you choose to install the Equipment is aware of its installation requirements.
- 13.6. We are unable to take responsibility for any network/mobile connection issue and/or the frequency of any message content related to the Equipment receiving or sending the messages to immobilise/mobilise the Vehicle.
- 13.7. The Vehicle will need to be in full working condition to accept immobilisation commands and the Equipment will need to have an active connection to the required mobile network.

14. CAT SERVICE

- 14.1. This Clause 14 shall apply if you have subscribed to a Service which includes CAT (Category 5, 6, S5 and S7) tracking.
- 14.2. The Service will meet the tracking requirements of, as applicable, the CAT 5, CAT 6, S5 and S7 criteria for "After-Theft Systems for Vehicle Recovery" as set out by the Motor Insurance Repair Research Centre (otherwise known as Thatcham).
- 14.3. Please note that this is not a contract for the supply of the Equipment and, as such, the CAT 5, 6, S5 and S7 requirements as to the nature of the equipment used or supplied will NOT apply to this Agreement.

15. PROVISION OF SERVICE AND YOUR OBLIGATIONS UPON BECOMING AWARE OR SUSPECTING THAT A VEHICLE HAS BEEN STOLEN

- 15.1. If you become aware or suspect that a Vehicle has been stolen you must immediately take the following steps:
 - 15.1.1. telephone or otherwise notify the Police and obtain the Police Crime Reference Number or equivalent reference in respect of the theft in order that this can be advised to us; and
 - 15.1.2. inform us of the theft. You will need to quote the Police Crime Reference Number (or equivalent reference) and indicate the Police station which has been notified. We will then at our discretion, verify with the Police that the vehicle has been notified to them as stolen, and if so, will activate the Equipment for the purpose of locating of the Vehicle.
- 15.2. Neither we nor the Police will be liable for any damage of whatever nature arising as a consequence of or incidental to your failure to follow the above steps or any other instructions by us for use of the Service.
- 15.3. You agree and undertake to observe and comply with all the Subscriber Instructions and Procedures associated with the CAT specific Services.
- 15.4. It is your responsibility to inform us and the Police that your Vehicle has been recovered as soon as possible in order to ensure that the Equipment is deactivated.
- 15.5. You shall only use the Service to notify us in the event that you genuinely believe that the Vehicle has been stolen. In the event that you do not comply with this Clause 15.5 we reserve the right to charge you for any work we undertake due to your incorrect operation of the system.

16. RECOVERY SERVICE

- 16.1. This Clause 16 shall apply if you have subscribed to a Service which includes vehicle recovery services (rather than simply allowing you to track the Vehicle's location yourself).
- 16.2. The recovery service is only available in respect of Vehicles which are private cars, do not have caravans and are no longer than 22 feet.
- 16.3. We will, subject to prior consultation with you, and as soon as reasonably practicable after location of your stolen Vehicle in the Territory, despatch an individual to guard the Vehicle until such time as recovery services collect the Vehicle for its return to a location of your choice within the Territory or to such other location as is required by the Police.
- 16.4. You authorise us (acting by our authorised agents and/or employees) to recover and return the Vehicle in accordance with this Clause 16. We (or our agents) will carry out this delivery at no extra charge provided that the cost of such delivery does not exceed £500. We will liaise with you to discuss how you would like us to proceed should we reasonably believe that the cost of recovery will exceed this amount. We reserve the right to not provide the Recovery Services if we are unable to come to an agreement about the payment of those additional costs. This may be the case if, for example, we would be required to hire specialist removal equipment.
- 16.5. In the event that you alter the location specified for the return of the Vehicle pursuant to Clause 16.3 above, we reserve the right to charge you any additional costs incurred as a result of the change of location or, in our absolute discretion, may refuse to move the Vehicle to the alternative location.
- 16.6. Where the Police have stated that their co-operation and/or permission is required for removal of the Vehicle, you shall or shall procure that the Authorised User shall, do all such acts and execute all such documents as may be necessary to procure such co-operation or permission.
- 16.7. We will not in any event be liable for any damage incurred to the vehicle pending recovery to the specified location.
- 16.8. You undertake to advise us in the event:
 - 16.8.1. the vehicle is to be carried on transportation devices such as trailers or transporters; or

- 16.8.2. you have authorised a person to use the Vehicle in a manner which would otherwise lead to the Equipment considering that the Vehicle had been stolen.
- 16.9. If the vehicle is located outside of mainland UK you will have to arrange your own separate recovery service.

17. FIRST NOTICE OF LOSS

- 17.1. This Clause 17 shall apply if you have subscribed to a Service which includes the First Notice of Loss service.
- 17.2. The Equipment is able to detect changes in the motion of the Vehicle by measuring changes in the acceleration to which it is exposed (sometimes known as "g-forces"). This allows the Equipment to notify us in the event the Vehicle is subject to what we consider to be unusual changes in g-forces (a "FNOL Warning").
- 17.3. FNOL Warnings are generated automatically by the Equipment based on pre-set trigger levels. While unusual, it is possible for them to be generated in the ordinary operation of the Vehicle (such as heavy braking while taking a corner at high speed). Alternatively, they may be generated where limited satellite availability causes the Equipment to generate erroneous speed or location readings. However, they may be generated when the Vehicle is involved in an incident where the Vehicle comes to a very sudden stop, such as a traffic accident. You acknowledge FNOL Warnings may be generated in the ordinary operation of the Vehicle and do not necessarily indicate it has been involved in an incident.
- 17.4. We will use all reasonable endeavours to monitor the motion of your Vehicle for a short period of time following any receipt of a FNOL Warning. If following such monitoring we decide, in our sole discretion, that the Vehicle may have been involved in an incident, we will:
 - 17.4.1. telephone, in such order of priority as you may have specified to us on the forms we provide, a series of emergency contact numbers (your "FNOL Contact List"), to report our receipt of the FNOL Warning;
 - 17.4.2. where there is no answer to any number on your Contact List and the option is available, leave a voicemail message reporting our receipt of the FNOL Warning and giving details about how we may be contacted;
 - 17.4.3. if we are not able to contact anyone on your FNOL Contact List by telephone, send an SMS message to the first person on your FNOL Contact List reporting our receipt of the FNOL Warning and giving details about how we may be contacted; and
 - 17.4.4. where requested to do so by someone on your FNOL Contact List, telephone the emergency services and liaise with them as to the location of the Vehicle.
- 17.5. You agree that you will:
 - 17.5.1. obtain the consent of every person on your FNOL Contact List to be contacted in accordance with this Clause 17; and
 - 17.5.2. inform each person on your FNOL Contact List of the nature of FNOL Warnings (as described in Clauses 17.2 and 17.3 above).
- 17.6. We do not guarantee that you will be notified in the event that the Vehicle is involved in a traffic accident or similar incident. It is, for example, possible for the Vehicle to be involved in such an incident:
 - 17.6.1. without exceeding the relevant trigger levels required for the Equipment to generate a FNOL Warning; or
 - 17.6.2. in a location which prevents the transmission of the FNOL Warning.
- 17.7. Further to Clause 18 (Limitation of Liability), we will have no liability to you in respect of any damage or distress of whatever nature caused by us acting in accordance with this Clause 17.
- 17.8. You will reimburse us on demand in respect of any charges, losses or other expenses which we incur as a result of claims made against us by anyone in respect of a FNOL Warning or our subsequent contact with your FNOL Contact List.
- 17.9. We will have no liability to you if we are unable to provide the FNOL Service due to a fault or discrepancy in the installation of the Equipment. This will include faults in the location of the Equipment in the Vehicle which cause the Equipment to not properly transmit or receive signals. It is your obligation to ensure that whoever you choose to install the Equipment is aware of its installation requirements.
- 17.10. You may send us a written notice requesting that we amend your FNOL Contact List. We will complete such amendments within 5 days of our receipt of any such notice.

18. LIMITATION OF LIABILITY

- 18.1. Subject to Clause 18.2 to 18.7 (inclusive) below, if either of us fails to comply with this Agreement, neither of us shall be responsible for any losses that the other suffers as a result, except for those losses which are a foreseeable consequence of the failure to comply with these this Agreement.
- 18.2. We do not accept any liability to you or to others in connection with this Agreement for:
- 18.2.1. loss of income or revenue;
 - 18.2.2. loss of profit;
 - 18.2.3. loss of business;
 - 18.2.4. loss of anticipated savings;
 - 18.2.5. loss of data; or
 - 18.2.6. any waste of time.
- 18.3. We shall also not be liable for any loss or damage caused by:
- 18.3.1. the acts or omissions of the driver of the Vehicle;
 - 18.3.2. the Vehicle being stolen; or
 - 18.3.3. the operation of the Service being adversely affected by physical features such as underpasses, atmospheric conditions and other causes of interference beyond our reasonable control.
- 18.4. We can give no guarantee that the Vehicle will be successfully located or recovered or that the Services will work in adverse conditions. The operation of the Equipment and the provision of the Service in accordance with this Agreement depends to a large extent upon the operation of the digital cellular telecommunications technology with which the Equipment operates and it is possible that this will not be working in all parts of the Territory.
- 18.5. However, this Clause 18 will not prevent claims for loss of or damage to your physical property that are foreseeable or any other claims for direct loss that are not excluded by Clauses 18.2.1 to 18.2.6 (inclusive) of Clause 18.2 above.
- 18.6. Nothing in this Agreement excludes or limits our liability for:
- 18.6.1. death or personal injury caused by our negligence;
 - 18.6.2. fraud or fraudulent misrepresentation;
 - 18.6.3. any breach of the obligations implied by section 12 of the Sale of Goods Act 1979 or section 2 of the Supply of Goods and Services Act 1982;
 - 18.6.4. any deliberate breaches of this Agreement and conditions that would entitle you to terminate the Agreement; or
 - 18.6.5. any other matter for which it would be illegal for us to exclude or attempt to exclude our liability.
- 18.7. You agree and acknowledge that the provision of the Services does not in any way mitigate your duty to obtain adequate insurance for the Vehicle.

19. TRANSFER OF RIGHTS AND OBLIGATIONS

- 19.1. This Agreement is personal to you and relates exclusively to the Vehicle in which the Equipment was originally installed.
- 19.2. You may not transfer, assign, charge or otherwise dispose of an Agreement, or any of your rights or obligations arising under it, without our prior written consent (such consent not to be unreasonably withheld or delayed).
- 19.3. The Agreement between you and us is binding on you and us and on our respective successors and assignees.
- 19.4. We may transfer, assign, charge, sub-contract or otherwise dispose of this Agreement, or any of our rights or obligations arising under it, at any time during the term of the Agreement so long, when applicable, we can show that we reasonably believe that the party to whom we are disposing of the Agreement to can provide you with materially the same level of service.

20. SUSPENSION OF SERVICE/PLANNED MAINTENANCE

- 20.1. We may, if any modification or maintenance is being carried out to our tracking network, temporarily suspend the Service or access to our Site for the period of that modification or maintenance.
- 20.2. We will make a reasonable effort to give you 2 days' notice of any such modification or maintenance but reserve the right to suspend the Service or access to our Site on shorter notice if circumstances require.

21. EVENTS OUTSIDE OUR CONTROL

- 21.1. We will not be liable or responsible for any failure to perform, or delay in performance of, any of our obligations under this Agreement that is caused by events outside our reasonable control ("Force Majeure Event").
- 21.2. We will take all commercially reasonable steps to bring the Force Majeure Event to a close or to find a solution by which our obligations under the Agreement may be performed despite the Force Majeure Event.

- 21.3. A Force Majeure Event includes any act, event, non-happening, omission or accident beyond our reasonable control and includes in particular (without limitation) the following:
- 21.3.1. civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not) or threat or preparation for war;
 - 21.3.2. fire, explosion, storm, flood, earthquake, subsidence, epidemic or other natural disaster;

 - 22.4.11. the other party suspends or ceases, or threatens to suspend or cease, to carry on all or a substantial part of its business; or
 - 22.4.12. the other party (being an individual) dies or, by reason of illness or incapacity (whether mental or physical), is incapable of managing his own affairs or becomes a patient under any mental health legislation.
